# FEE PAYMENT PROCEDURE - FPSC

---

28-08-2025

## **FEE PAYMENT PROCEDURE - FPSC**

**FPSC has introduced Online Fee Payment facility.** Now candidates can conveniently deposit their examination fee by generating a **unique PSID number**. This feature allows payment through a simple and secure process from **anytime and from anywhere**. Candidates are advised to use only the **PSID number** for fee submission via;

- a) ATMs
- b) Mobile Banking Apps
- c) Internet Banking Apps
- d) Over-the-counter (OTC) at any nearest **1Link Member Bank Branches**

Please observe the following instructions while depositing FPSC fee;

- Payment against PSID Number generated through FPSC Online Application Portal, is the only and mandatory requirement for successful submission of Online Application.
- **Fee deposited on old Challan Form (TR-6) of FPSC, Cheque, Bank Draft and Pay Order is not acceptable.**
- **The PSID generated against the selected Job/Post and CNIC will remain same & valid till the closing date of this job.**
- **The fee once paid is non-refundable. Candidates are advised to verify all particulars carefully prior to submission.**
- Before proceeding with the payment, double-check that all your details (CNIC, name, post applied for etc.) are correct. It is the sole responsibility of the candidate to ensure that he/she meets all eligibility criteria for the advertised post, including qualification, age, gender, domicile, and required experience.
- Paying the fee does not mean your application is submitted in FPSC. After making the payment, you will need to provide additional information to complete online application submission at FPSC portal.
- If you have paid the fee against your PSID but system doesn't proceed further, contact your respective bank /payment channel helpline (through which you have made the payment).

Detailed instructions about how to deposit fee against your PSID Number using various payment modes are as below;
